

AGOT JOUST RESTRICTED LIST

NOTE: This list is for JOUST only. A player may select one card from the restricted list for any given deck, and cannot include any other restricted cards in the same deck. A player may run as many copies of their chosen restricted card in a deck as the regular game rules (or card text) allow.

Some restricted cards are so powerful, their inclusion in a deck comes with additional deckbuilding restrictions for other cards. If applicable, these restrictions are listed below the restricted card (indicated with an → icon.)
